

Tolland Middle School Announcements

Friday, February 12, 2010

Organization TMS

Announcement CMT Testing will begin on Tuesday, March 2nd and run until March 15th (pending snow days). Testing will run from 8:00 - 9:40 daily, with the exception of the early dismissal day on March 10th. All students must complete the tests, so please make every effort to have your child in school on time, and well rested and fed. Data shows that students who are well rested and have had breakfast do better on tests.

Organization TMS

Announcement Grade 6 Field Trip to the Planetarium will take place on February 22 (Gold Team), 23 (Red Team), and 24 (Blue Team). Please remember your child needs a bag lunch for this field trip.

Announcement Where do all the Big Y points go? Many families have signed up for Big Y Education Express, which gives schools products in return for points earned. TMS has earned over 4,000,000 points since the last cycle of the program began. Recently we purchased 50 copies of "Al Capone Does My Shirts" for 7th grade LA classes, 21 microscopes, a portable projection screen, and an LCD projector! We would like to thank everyone who has designated TMS as a recipient in the Big Y Education Express program, and Big Y for their support.
