Announcement Please join us for our 2nd annual “Night of Giving” Stuff-n-Fluff Charity Event Friday, November 20th, 6:30 Tolland Intermediate School All children are invited to come and participate in a wonderful opportunity to make a new stuffed animal for a child during the holidays. At this workshop the children will hand-stuff a brand new stuffed animal to be given away to underprivileged kids in the surrounding communities. More than 80 animals were donated last year and I am thrilled that we are able to do this again. All animals will be delivered during the holiday season to CT Children’s Hospital, DARE Family Services, Kidsafe in Vernon, and other underprivileged children in the community. It is at this time of the year when we need to remember those less fortunate than us and it’s a great way to get your kids involved at this busy time of year. **NEW THIS YEAR:** In addition to last year’s event which included making book marks for the Sweeney School book drive, a coloring contest and a free raffle for all participants, we are adding some additional stations to make this fun family event even more meaningful. 1.) Crayons for Cancer – peeling and sorting donated crayons for CRAYONSFORCANCER.ORG 2.) Posters for school – Mrs. Adams will work with students to make Kindness Posters to hang up at school 3.) Holiday Cards for Soldiers – make a holiday card to send to the troops 4.) Food Drive – bring a nonperishable food item for the Tolland Food Pantry. Cost will be \$8 for animals. If interested, please contact Sue Keane at 4ckeane@comcast.net or 870-0258.
