Unified arts 2010 - 2011

Student's name _____ **current homeroom** _____

Students in grade 6 will have one unified arts period every other day. Within this time frame s

Students will spend one quarter of the year in each of the following classes; technology, art, music and family and consumer science. If your child wishes to take band or chorus, they will need to opt out of the quarterly rotation to attend band or chorus classes. These two classes run the full year during the same timeframe as the unified arts rotation. In order to take band a student must already be enrolled in the current grade 5 band program or have some mastery of an instrument. We do not have a band for beginners. For chorus, no experience is necessary, just a love of singing.

Please sign and return this form to your student's current homeroom teacher if you wish for your student to be enrolled in either band or chorus in lieu of the arts quarterly rotation.
