ROOMMATE REQUEST
****Each student must fill out this form**

YOUR NAME: _____

Request your three roommates:

1. _____

2. _____

3. _____

Roommate requests are at the discretion of the administrators, however, if all parties agree on their roommates, the request will in all likelihood be granted.

Student: Talk with your fellow students. Find three students you want to room with and make sure all the names are the same on each sheet!

- **If you cannot identify 3 other students, you can turn in the form with 1 other name on it. Administrators will then pair you up with another group of 2.**
 - **NO GROUPS OF 3 WILL BE ALLOWED!**
 - **NO COTS WILL BE ADDED IN ROOMS**
 - **NO ADJOINING ROOMS WILL BE GRANTED**

Due to the 1 to 10 chaperone/student ratio – Please be aware that some rooms will have to be split (2 and 2) among chaperones during the excursion. Advisors and Administrator will do our best to keep a room on the same bus. This means that even though you have 4 students who may all want to share a room, 2 may go with 1 chaperone and 2 may be with another.
