They are looking for “innovative and creative educators to teach our unique and engaging summer classes!” Attached is the job posting information and course proposal form.**
- **As discussed in the beginning of the year, a student will lose his/her privileges for the upcoming month if he/she receives a major referral. There will be three exceptions:**
 - **The 1st offense for #1) possession of an electronic device, #2) skipping after school or lunch detention (office or teacher), and #3) skipping TMS Lab/Academy will still include a consequence, however the student will not lose his/her privileges. The 2nd and subsequent offenses will result in a consequence as well as lost privileges for the upcoming month.**
- **We need club advisors for the TMS Writing Club, and Great Books club, and a new Enrichment Club. Please contact me (Walt) if you are interested.**
